Junior Academy

Tennis Everyone is Dean and Tanya Porcellato and was started by Dean in 1997! Dean and Tanya have over 30 years of tennis coaching experience. They have worked with and developed all ages and levels of players, from beginner to tournament level high performance juniors. Many of the juniors that have trained with them consistently over long periods of time have competed in high level tournament play or have gone on to be tennis instructors themselves. Dean and Tanya also both hold Ontario teaching degrees and were instrumental in spearheading the development of the progressive tennis model in Mississauga with Tennis Canada. They are your coaches for the Tennis Everyone Junior Academy Program and look forward to working with all of your junior players!
